

ECPA Caribbean Initiative Announces Request for Proposals for the SKN-PR Interconnection Study

In support of the Energy and Climate Partnership of the Americas, the Organization of American States' Department of Sustainable Development (OAS/DSD) with a grant from the U.S. Department of State launched a 36-months program (2010-2013) entitled "**ECPA CARIBBEAN INITIATIVE**" to facilitate regional dialogue and assist countries in the Caribbean region with the promotion and implementation of sustainable energy policies and programs. Through one of the components of this program, the ECPA Caribbean Initiative is facilitating dialogue and providing support in the assessment of inter-island electrical connections within the Caribbean region. See for more detail www.ecpamericas.org.

In this regard, the **ECPA Caribbean Initiative** is inviting qualified Consultancy Firms to express their interest in providing consultancy services under competitive conditions by submitting proposals in accordance to the **Terms of Reference** of this Request for Proposals.
