

ECPA CARIBBEAN INITIATIVE TECHNICAL ASSISTANCE REQUEST

Project concepts may target, but not exclusively, the following main categories: (1) commercialization of renewable energy/energy efficiency projects; (2) addressing regulatory and policy barriers to clean energy development; and (3) advancing common regional energy solutions and integration.

Eligibility:

Governmental Agencies and Departments of Eligible Caribbean States¹

Submission of request:

Please fill out the attached project proposal template (maximum of 4 pages) and submit this via electronic mail by **November 30th, 2010** to:

Kevin de Cuba at kdecuba@oas.org and Mark Lambrides at mlambrides@oas.org

The project concepts must be submitted in a Word or PDF format and the Subject section of the email should state "ECPA Caribbean Initiative – Project Concept".
