

Sustainable Energy  
Capacity Building Initiative  
Caribbean Region

## Request for Quotation

The General Secretariat of the Organization of American States (GS/OAS), through the Sustainable Energy Capacity Building Initiative (SECBI) under the auspices of the Energy and Climate Partnership of the Americas (ECPA), announces this "Request for Quotation". Consultants wishing to quote to assist in the initiative Capacity building to support the Sustainable Island Resource Framework Fund (SIRF Fund) in Antigua and Barbuda are invited to submit applications to [keterovic@oas.org](mailto:keterovic@oas.org); [cmiller@oas.org](mailto:cmiller@oas.org) and to [eparada@oas.org](mailto:eparada@oas.org).

### The main objectives are:

1. Training and Resource Development for Project Negotiation & Close
2. Manual and Training to Support SIRF Fund Management

SECBI addresses critical commercialization challenges related to expanding the development and use of sustainable energy alternatives as a means of injecting more affordable and less environmentally-harmful energy technologies into the energy matrices of Caribbean countries.

### Deadline to submit quotations:

5:30 p.m. EST, on May 8h 2015
