

William McDonough

MBDC and William McDonough + Partners

[William McDonough](#) is a globally recognized architect, designer, author, and sustainable growth pioneer. He works with corporations and countries at all scales through his enterprises—McDonough Innovation (Design for the Circular Economy™), MBDC, and William McDonough + Partners. Named “Hero for the Planet” by Time in 1999, McDonough is co-creator of the Cradle to Cradle® framework for design, and foundation of the Cradle to Cradle Certified™ Products Program, a global standard for the design of safe, healthy product. He is a business strategist for leading global companies; and an advisor to the United Nations, the Ministry of Science and Technology of the People’s Republic of China, the Clinton Global Initiative and the World Economic Forum.

Mathy Stanislaus

Assistant Administrator for the Office of Solid Waste and Emergency Response, U.S. Environmental Protection Agency

Mr. Stanislaus is a chemical engineer and environmental lawyer with over 20 years of experience in the environmental field in the private and public sectors. After being nominated by President Barack Obama for the position of Assistant Administrator in EPA’s Office of Solid Waste and Emergency Response (OSWER), Mr. Stanislaus has led from 2009 the Agency’s land cleanup, solid waste and emergency response programs. Mr. Stanislaus has also been an advisor to other federal government agencies, including Congress and the United Nations on a variety of environmental issues.
